

PAPER WRAPPER

1. Approximately how much time did you spend writing this paper? ___ hours
2. Which of the following did you do in the process of writing this paper?
 - Reread the section the passage was drawn from
 - Reread the entire text
 - Reviewed notes from lecture
 - Reviewed notes from seminar
 - Reviewed writing journal
 - Brainstormed (e.g. freewriting, argument mapping, listing ideas)
 - Wrote an outline
 - Received feedback from someone else (e.g. classmate, professor)
 - Revised one or more drafts
 - Proofread the final draft
3. What are the main areas (e.g. Content, Use of Evidence, Structure and Organization, Clarity and Precision of Writing, Basic Grammar, Style, and Mechanics) that need improvement?

4. What are some specific comments (e.g. defining key terms, adding transitions, reorganizing a paragraph) that were given to guide improvement?

5. What have you done to practice making the improvements above? Please include at least one example of something from the paper that you have now revised in light of the comments so that we can check over it.

6. Are there any comments you didn't understand? What further questions do you have about making improvements?
